Sicily & Aeolian islands

VOLCANO WALKING TOUR ON ETNA & STROMBOLI.

We invite you to discover Sicily's volcano Etna, Stromboli on the same-named island and the dead crater Vulcano. During your walking week you explore volcanoes in all facets: you walk to the volcanoes or you rent a boat to cruise around the islands to have the best views onto those fascinating formations. The climb onto Etna is definitely an unforgettable impression and really a highlight. Taormina will bewitch you! It is located beautifully high above the sea with its narrow alleyways, Greek amphitheatre and fantastic views onto the coast, palms and orange trees and the Etna.

Itinerary

DAY

1

Arrival in Milazzo

DAY

2

Milazzo – Lipari

In the morning by hydrofoil to island Lipari (duration about 1 hour). Enjoy the beautiful view onto the island before you leave the boat. Nested houses are located on the mighty cliff, which is topped from the massive fortress and the cathedral. After a round tour through the lively city you walk along the idyllic western side of the island with its steep cliffs.

approx. 3 hours

8 km

290 m

290 m

DAY

3

Excursion Vulcano

Rest day. Enjoy the beautiful beach of Lipari or go by hydrofoil to island Vulcano. You can visit the crater there. The climb up to the peak is strenuous, but you will be rewarded with a wonderful view onto six further Aeolian Islands.

approx. 3 hours

6 km

390 m

390 m

DAY

4

Lipari – Stromboli

In the morning cruise to island Stromboli (duration about 1 hour). Take your time to visit the beautiful village San Vincenzo, to go by boat around the island or to explore the bewitching village Ginostra, one of the most beautiful parts of the whole archipelago. In the afternoon you climb up the active volcano Stromboli accompanied by a guide, where up there a breathtaking spectacle of fire-spouts and eruptions awaits.

approx. 6 hours

10 km

920 m

920 m

DAY
5

Loop tour Stromboli

Relax at the beautiful black beaches of Stromboli. We recommend doing a walking tour to "Sciara del Fuoco" in the late afternoon. Be surprised from volcano Stromboli and enjoy the beautiful panorama view. Or you go by hydrofoil to the nearby, lively island Panara where you can walk to the picturesque beach of Cala Junco.

DAY
6

Stromboli – Taormina

In the morning by hydrofoil from Stromboli to Milazzo (duration about 2 hours). Transfer from the harbour of Milazzo into bewitching Taormina in the northeast of Sicily, which is located on a cliff high above the Ionian Sea. Lemon- and orange trees are growing, the whole village is looking onto the water and afar volcano Etna is impressing backdrop. During your exploration of Taormina you should visit the well-known amphitheatre.

DAY
7

Circular Tour Mount Etna

Already the journey through the various vegetation forms of the Etna-area is an absolute highlight! At an altitude of more than 2000 metres an experienced guide waits for you, he will lead you along lava flows and past impressive crater peaks through this unique lunar landscape and enlighten you with interesting facts on flora and fauna. Again and again you will enjoy unbelievable views onto the Ionic coast.

Departure or extension

Tour character

The daily tours lead through slightly hilly terrain. The walks up onto the volcanoes are steeper in parts, surefootedness is required. Daily walking times vary between 3 and 6 hours. A good shape is necessary. The excursion onto volcano Stromboli is the most challenging.
