Bavarian & Salzburg Alps

LAKE KOENIGSSEE & HIKING PARADISE HOCHKOENIG.

Explore two Alpine landscapes during this mountain hiking tour from Bavaria to Salzburg. The Eurohike team takes you on an eight-day tour along the beautiful pathways in the Bavarian and Salzburg Alps. A feeling of absolute calm as you gaze upon the impressive rock formations is included. Fixed point on each route: the detour into one of the many alpine huts, where a cool beer or sparkling 'Kracherl' will be waiting for you!

Note: This tour is also available as a [family tour](#).

Details about the mountain hiking tour in the Bavarian and Salzburg Alps

The mountain hiking tour kicks off with a highlight: after your arrival at the Königssee, day two will see a trip to the Berchtesgaden National Park on the programme. For 19 kilometres you will hike through the reserve, past the border into Salzburg. All around you'll hear the rushing waterfalls of the Seisenbergklamm. And over the next few days one highlight will follow the last. For example: the Pinzgauer Grasberger, a high-altitude hike to the famous Arthurhaus or a visit to Hohenwerfen Castle (not included in the price) and much more.

Highlights of the tour in the Bavarian & Salzburg Alps at a glance:

- **Königssee & Berchtesgaden National Park:** Steeply rising rock walls and a nature reserve straight out of a picture book fill the eyes. If you look closely, you might catch a glimpse of a chamois or a shy marmot.
- **Alpine huts with homemade delicacies:** A landscape with scenery as romantic as the famous Austrian 'Heimatfilme'. Sitting right in the middle of it are numerous huts. Take a break and enjoy
