Via Alpina „Bear Trek“ with Charm

EIGER, MÖNCH AND JUNGFRAU.

Explore alpine Switzerland at its most impressive: The Bear Trek is a unique route over spectacular passes and along grand glaciers. Via Alpina leads through valleys and gorges, past the three "proud Swiss" Eiger, Mönch and Jungfrau right to the Swiss holiday resort Adelboden-Lenk. Do not count on meeting any bears nowadays. The name derives from old times when only bears and wolves were able to trot this routes. And today it is your turn: the Bear Trek is more than a walking tour. You cross several passes. The summits and plateaus reward your alpinist efforts. Enjoy the perfect magnificent beauty of the Alps!
