## Salzalpensteig – Hiking Trail 2

FROM THE TENNENGEIRGE TO THE WORLD HERITAGE REGION OF SALZBURG

The “white gold” plays an important part in the history of Bavaria and Austria, more precisely the Salzkammergut and Salzburger Land. The Salzalpensteig, which traces the origins of salt production - in the truest sense of the word - is dedicated to this story. On this 6-day tour with Eurohike you will experience everything the Alps have to offer: panoramas “en masse”, hospitality and culinary delicacies, culture, nature and much more. Come with us - this tour will be unforgettable!

### *Details about the Salzalpensteig Hiking Trail 2*

The first stage leads from Golling over the Lueg Pass to Abtenau, past alpine pastures, high mountain cliffs and a waterfall. After 23 km you will have earned a nice break. Try Kaiserschmarrn, Bauernkrapfen or apple strudel and indulge in dreamy Austrian dessert.

The way to the charming Annaberg leads over the Tennengebirge. Dachstein Glacier, Gosau Lake and the “Steinerne Indianer” wait around Gosau and Bad Goisern. Lush alpine pastures and green forests give their visitors clear air, relaxation for body and mind and still an active holiday.

### *Highlights of the Salzalpensteig Hiking Trail 2*

- **The famous Königssee & Berchtesgadener Land:** The Bavarian Königssee is one of those postcard motifs that look almost too good to be true. But you will see, this beauty really does exist! The best way to explore it is by ship.
- **Mighty Tennengebirge:** Rocky sections and incredibly beautiful panoramas - the Tennengebirge has it all. Climb the stony sections to feel the unique feeling of happiness at lofty heights!
